SanitaCamp

MODULAR SANITARY ARCHITECTURE • OUTDOOR HOSPITALITY

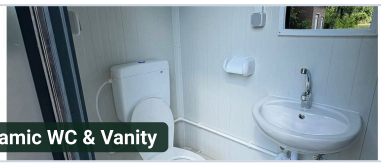

TECHNICAL DATASHEET

Ref: SC-STC-2026-EU

Single Private Toilet Cabins (Standalone Ensuite Series)

Turnkey, odor-free private sanitary units engineered specifically for European campsites, glamping resorts, and holiday parks. Delivered 100% pre-plumbed and pre-wired for instant direct pitch connection to municipal water and sewer networks.

ARCHITECTURAL EXTERIOR FINISHES

SafranCity Series
Warm wood-look composite slatted facade over an anthracite steel frame. Designed for premium glamping and eco-resorts.

AntraCity Series
Full RAL 7016 Anthracite Grey modern architectural finish. Contemporary styling for coastal & motorhome pitches.

PrimeCity Series
Clean RAL 9002 Off-White paneling. Highly reflective and functional minimalist aesthetic for commercial camping grounds.

Engineering Specifications — European Commercial Norms

PARAMETER	TECHNICAL DETAIL & MATERIAL STANDARD
External Dimensions	110 cm (Length) × 120 cm (Width) × 230 cm (Height)
Approximate Weight	150 kg (Engineered for wind stability with easy forklift pitch maneuverability)
Structural Frame & Mobility	Galvanized, cold-formed steel structure with integrated base forklift pockets
Wall & Ceiling Insulation	40 mm high-density EPS insulated composite sandwich panels (Thermal & acoustic comfort)
Subflooring & Floor Covering	14 mm moisture-proof fiber cement board topped with 2.0 mm heavy-duty anti-slip vinyl
Sanitary Ware Included	Vitreous ceramic toilet with cistern, ceramic hand basin, chrome mixer tap, mirror, paper holder
Sewer & Water Hookups	Direct connection: 110 mm gravity sewer discharge outlet + 1/2" cold/hot water feed inlet
Electrical & Ventilation	16A internal RCD fuse box, IP-rated moisture-proof LED ceiling light, switch & mechanical exhaust
Door & Access Security	Insulated exterior steel door equipped with keyed cylinder lock for dedicated guest privacy

100% Pre-Plumbed & Plug-and-Play
Connects in less than 2 hours directly to pitch utilities without excavation, concrete casting, or operational park downtime.

Zero Chemical Cassettes or Pump-Outs
Eliminates unpleasant odor complaints, high servicing costs, and manual cassette handling associated with temporary chemical toilets.

Direct Manufacturer: In-house production plant in Sakarya, Türkiye.
Logistics: Export-wrapped and delivered directly via curtain-sided mega-trailers across Europe.
